**NOTE:**

1. TZ SlideHandle™ is compatible with the majority of server cabinets and does not require any special mounting kit. If a mounting kit is required, it is listed above.
2. Mounting kits are designed for standard cabinet configurations as specified by the cabinet manufacturer.
3. In the event that you cannot find your cabinet model in the table, please contact TZ for further information. This table is updated frequently.
4. Only 1 mounting kit required for each dual hinging door.
